1           A. Yes. That was -- that was afterwards. In  
2 fact, I have a letter from Athens-Clarke -- from  
3 Athens-Clarke County that -- an official notification of  
4 provisional ballot status that I -- that I actually  
5 received back from them November 19. Because I had -- I  
6 had called them to ask if my provisional ballot, you  
7 know, was going to count, and later -- a few days later,  
8 on November 19, they sent me back an actual letter in  
9 the mail letting me know that -- notifying me that the  
10 provisional ballot that was cast at the November 6  
11 general special election was counted.

12           So I have a letter from them, dated  
13 November 19, just letting me know that -- and I had also  
14 talked to them on the phone, but they sent me this  
15 letter back letting me know that the provisional ballot  
16 had been counted. But I think it was around that time  
17 -- or after that time that I -- you know, that I also  
18 talked to somebody at -- I guess it was with the -- with  
19 the Abrams people.

20           Q. Okay. And who did you talk to then? Do you  
21 recall?

22           A. No, I really don't. I'm sorry. I don't -- I  
23 don't recall who it was.

24           Q. Was it over the phone or by email?

25           A. I, at first, called over the phone.

1                   Q.    Okay.  And was that -- do you remember the  
2    number?

3                   A.    No.  I'd have to go back and look and see if I  
4    even still have the number.  I don't know if I do.

5                   Q.    That's okay.  And do you recall who that  
6    number was associated with?

7                   A.    No.  I don't -- I don't remember the official  
8    name of the organization.

9                   Q.    But you stated earlier that you thought in  
10   some way they were associated with the Abrams campaign.  
11   Is that accurate?

12                  A.    Yes.  Uh-huh.

13                  Q.    Okay.  But you're not entirely sure what exact  
14   organization?

15                  A.    No, I'm not.

16                  Q.    Okay.  And let's talk about that phone call.  
17   What did you discuss at that point?

18                  A.    I just explained to them that I had been --  
19   what exactly had -- had transpired at my voting  
20   location; that I had been told that I had already voted,  
21   and I had not, but that they had -- I had been able to  
22   fill out a, you know, provisional ballot.  But I had  
23   then gone down to the Athens voter registration office  
24   downtown and had found, from what the people were  
25   telling me and the checking they were doing, that it

1 -- from the paperwork I've received, I was under the  
2 impression that this was against the State and not  
3 against any local -- local voting outfit or county.

4 Q. And so you state in your declaration that you  
5 voted provisionally; correct?

6 A. Yes. I was allowed to vote provisionally.

7 Q. And you further state that the -- you were  
8 told at the voter registration office that, My  
9 provisional vote would count; correct?

10 A. Yeah, I was told that my provisional vote  
11 would count. And then a few days later, I actually even  
12 got a letter from them letting me know that my  
13 provisional vote had been counted.

14 Q. Okay. And you stated earlier that letter --  
15 you got that letter on the 19th of November; is that  
16 correct?

17 A. Yes. I got that, yeah, through snail mail on  
18 November 19.

19 Q. Okay. And did you let any of the individuals  
20 you worked with to prepare this declaration know that  
21 you were informed your vote counted?

22 A. Yeah. I let them -- I let them know that I  
23 voted provisionally. Yes.

24 Q. Well, I'm specifically asking about when you  
25 got the confirmation from the elections office that it
